Dear Sir or Madam:

Re: Millennium Line Broadway Extension – Invitation to Stakeholder Workshop

TransLink and the City of Vancouver invite you to attend a **stakeholder workshop on June 22, 2017 to update you on the Broadway Extension** project, listen to your feedback, and discuss the next steps for the project.

The Broadway Extension will extend the Millennium Line SkyTrain service from VCC-Clark Station to a new station at Arbutus Street, primarily underground through a tunnel beneath the Broadway Corridor.

In November 2016, the Metro Vancouver Mayors' Council on Regional Transportation approved Phase One of the 10-Year Vision. With Phase One approval, TransLink and the City of Vancouver continue to advance the planning for the Broadway Extension project, preparing for procurement and construction. Building on the engagement process that began earlier this year, TransLink and the City will host meetings with stakeholders and the public in June to provide an update on the project; share what we have heard so far; and gather more feedback on design and construction to inform project planning and design principles.

Your input is important to us. We invite you to participate on **Thursday, June 22 at one of two sessions; 2 p.m. - 4 p.m. or 6 p.m. - 8 p.m. at the Vancouver Masonic Centre.**

Please RSVP by June 16 to broadwayextension@translink.ca or by calling 604.736.7755 ext.109.

We look forward to your participation.

Yours truly,
